

THE SEA IS CALLING  
ANSWER IT ROYALLY™

# CRUISE COMPASS

**DAY 7** Friday, February 8, 2013

## WELCOME TO LABADEE, OUR VERY OWN PRIVATE PARADISE.

On the north coast of Haiti sits a tropical haven we can call our own. Set amid spectacular mountains and lush foliage, Labadee, our third and final port of call, is reserved exclusively for Royal Caribbean International guests. Though privately owned, this breathtakingly beautiful destination still retains much of its local color. In 1492, the island was discovered by Christopher Columbus on his first voyage to the New World. Originally named "La Isla Española", it was later colonized by the French, whose influence is still prevalent in both culture and language.

As you venture ashore to the white sandy beaches of Labadee, you'll undoubtedly appreciate its natural beauty. Spend the day basking in the sun, or engage in one of the many water sports available. Read on to learn more about all the fun things you can do while onshore.

### Connect With The Locals

- Find the perfect souvenir. Woodcrafts are a specialty here in Labadee. Visit the local artisan village and take home a beautiful handmade memento.
- Speak the language. While French and Creole are both the official languages in Haiti, most locals prefer to speak the island's patwa. Creole is a combination of mostly French vocabulary and grammar derived from various African languages. Here are few phrases that'll come in handy.

Good morning: Bonjour - Good afternoon: Bonswa -Excuse me: Eskize Mwen  
Please: Souple - Thanks: Meci - You're welcome: Merite.

### TONIGHT...

#### 1. The Atlantis White Party

The world's largest gay dance party at sea comes to the decks of the Independence. Wear white, of course. Any flavor.  
Music by DJs Wayne G. & Joe Gauthreaux. Lights by Guy Smith, lasers by Kyle, video by Robert.  
11:00 pm - very late, Poolside, Deck 11.

#### 2. Off White After Hours

It all keeps going with a true after-hours morning party. Music by DJ Abel, lasers by Pancho, video by Robert.  
5:00 am - very early, Studio B, Deck 3.

### GET ENTERTAINED

Look inside for today's show schedule.

### ENVIRONMENTAL TIDBIT

It's no secret how crazy we are about the sea. We love everything about the ocean blue, which is why marine conservation is so important to us. At Royal Caribbean, we strive on a daily basis to be stewards of the environment-protecting and preserving the very waters we sail.
