The Conquistadors first saw Mexico from the shores of Cozumel while searching for gold. Today, visitors to the island continue to seek out gold and silver jewelry in the shops of San Miguel while having a great time in its many local bars and restaurants. ## NOTICES

**Helpful Health Information** – Medical experts tell us that the best way to prevent colds, flu, or gastrointestinal illnesses – such as a Norovirus that can be transferred easily through person-to-person contact – is to simply wash your hands thoroughly with soap and warm water after restroom breaks and again before eating anything. Symptoms of Noroviruses include an upset stomach, vomiting and diarrhea. According to the U.S. Centers for Disease Control and Prevention, Noroviruses affect 23 million Americans on land each year. In fact, the only illness that is more prevalent is the common cold. We thank you in advance for making the Allure of the Seas a safe, happy and healthy ship.
