Itinerary Changes

Atlantis Events and Seabourn Cruises have carefully planned this cruise itinerary for your enjoyment. Although we do our best to adhere to published ports and times, both weather and sea conditions may force us to alter the itinerary during the cruise.

In the unlikely event of an itinerary change while sailing, we will communicate our new plan through ship-wide (outside of cabin) announcements, on the ship's video screens, and through an updated *Seabourn Today*. Neither Atlantis nor Seabourn shall be held liable for any damages resulting from any itinerary change according to your Cruise Ticket Contract.

Get Organized

Register Online and Book Shore Excursions Now

We request that you register online prior to arrival to facilitate a speedy check-in and embarkation. If you haven't already done so, please take a moment to complete this very simple task by visiting the following link before March 12:

www.Seabourn.com/onlinecheckin

There is also a link on the www.atlantisevents.com site. You will need both your Seabourn Reservation Number and your passport details to register. Please note that the Seabourn Reservation Number is different from the Atlantis Confirmation Number. You should have received this number by email from us if your booking is complete.

You may also book shore excursions from the same site.

Review Your Travel Documents

No paper documentation is required to board this cruise since all records are stored electronically. All you need is your passport and a valid credit card for incidentals. A copy of your cruise ticket may be downloaded from the Seabourn website once you have registered for your cruise.

Even though paper documents are not necessary, we did send a document package to all guests in the USA. Additional luggage tags will be available at the pier.

Please be sure you are booked correctly for all elements of your vacation. Also note that your acceptance of both the Atlantis Confirmation Letter and the Seabourn Passenger Cruise Contract constitutes acceptance of the conditions contained therein.

Documentation Requirements

A valid passport is required for all guests. Visas to visit Singapore & Thailand are not required for citizens of the U.S. and Canada. Visa requirements for all other nationalities vary and should be checked with the embassy or consulate of each country visited on your itinerary.

To enter Indonesian, you purchase a visa at the airport upon entry into the country. Please note that this visa costs \$25 USD and must be paid for in cash at the airport.

It is your responsibility to have the necessary documentation before boarding the ship. Failure to provide proper and valid documentation will result in denied boarding, and no refund will be provided.

Packing Advice

On Board Clothing

Atlantis emphasizes a casual, comfortable atmosphere with no specified dress code. Sportswear and casual resort attire are appropriate at all times. There are no formal nights, and absolutely no need for a jacket and tie. Please ignore any notes or information from Seabourn referring to a dress code -- we simply dispense with all of that nonsense.

Our only real rule is that no tank tops or shorts are permitted in either the main restaurant or Restaurant 2 at dinner. Please respect this rule for our premium dining experiences for all guests.

On Shore Clothing

Plan for warm, and likely hot weather with possibly cooler breezes at night. We recommend loose, comfortable cottons or other lightweight clothing. And don't forget a hat! Bali & Phuket are a very laid-back beach resort destinations, where beachwear is always appropriate. Kuala Lumpur, Surabaya, & Semarang are bigger cities and fairly conservative, so casual summer city clothes would be best there. Bring long pants for visiting shrines, temples, and other sites, and don't forget some really comfortable shoes.

Miscellaneous Packing Advice

Bring plenty of sunblock, as the sun can be deceptively intense. Also, bring your own basic toiletries as the onboard stores are not open when in port.

Plan for uncertainty. Pack at least one change of clothes in your carry-on bags in case your bags are lost or mishandled en route.

Don't put your passport or other valuables in your checked luggage!

Prohibited Items

Please do not bring any of the following onboard, and do not place these items in your checked luggage: Irons (including travel irons), knives, firearms, or any other potentially dangerous item.

If your luggage contains any of the above items, your bag will be held at security and will not be delivered to your stateroom. Full details on prohibited items can be found on the Seabourn website

Currency Advice

The entire ship operates on US dollars. The current rates of exchange (as of March 1) are:

Indonesian Rupiah	\$1 USD = IDR 11,700 (yes, that's eleven thousand)
Thai Baht (THB)	\$1 USD = THB 32.3

We highly recommend using your ATM card to get the best rate of exchange in cash, just be wary of bank fees. There are plenty of ATM machines throughout our ports. You'll get the best exchange by using a credit cards for large purchases.

Getting Ready

Weather Forecast

March is very pleasant in the regions we are visiting, with high temperatures around or over 85°F / 27°C and lows around 72°F / 21°C. As we are in the tropics, you can certainly expect some rain. It will probably feel cooler onboard the ship due to wind.

Baggage Essentials

Most airlines limit checked bags and carry-on piece of luggage. Check with your carrier for specific allowances. The standard limit is 50 pounds (23 kilos) per piece. Excess or overweight bags may incur a substantial surcharge, so please plan accordingly.

Do not place any valuables, especially your passport, in checked luggage. If you are taking any medications, please make sure you bring them in your carry-on, in their original prescription containers, to avoid delays in customs. Always keep hand luggage with you.

Plan for uncertainty. Pack at least one change of clothes in your carry-on bags in case your bags are lost or mishandled en route.

Please be sure each piece of luggage has a luggage tag listing your name, and complete address. Affix the preprinted cruise luggage tags only before heading to the pier.

What if the Airlines Lose My Luggage?

If your luggage does not arrive with you, please do all of the following:

1. Get a complete report from the airline, including a receipt and tracking number for your luggage. Make sure that you tell the airline that you are boarding Seabourn *Odyssey*, and tell them that the ship sails at 5:00 pm.
2. Upon arrival on the ship, go immediately to the main reception where they will make a copy of your lost baggage report. The ship will attempt to track your luggage and follow up directly with the airlines.
3. Be patient. Depending on the airline it might arrive prior to sailing. Our port agents, in concert with the ship, will attempt to deliver any lost luggage directly to your room. If your luggage does not arrive, they will keep you informed with the latest news from your airline.

Please understand that neither Seabourn nor Atlantis has lost your luggage. We can only assist you in recovering your luggage from the airline and in communicating with them. Ultimately, the airline is responsible to you for any loss or inconvenience you encounter.

Getting There

Arrival to the Port in Bali

The *Odyssey* will depart from Bali at the following terminal:

Benoa Passenger Terminal

Jl Raya Pelabuhan, Benoa, Denpasar, Bali – Indonesia.

The terminal is located about 15 minutes from the airport in Denpasar (DPS) and is easily reached by taxi from the airport or all of the island's hotels. There is only one cruise ship terminal in Benoa.

Taxi fare the airport is around \$15 USD. If you're staying in Bali before the cruise, we recommend having your hotel arrange a taxi to the ship.

Important Note on Check-In Time

Embarkation begins at 2:00 pm and you may arrive to the ship anytime until 4:00 pm. Please do not arrive any earlier than 2:00 pm as we will be unable to accommodate you.

Odyssey sails at 5:00 pm sharp on March 15, 2014.

What do I Need to Check-In?

All you need to check in is your confirmation details (ideally printed out), your passport and a valid credit card for onboard charges, to check in for the cruise. You will then be issued a ship identification card, which will serve as your room key and identification card for boarding and re-boarding the ship.

Upon arrival to the port, you will check in, pass through security, and your luggage will be transferred by porters to your stateroom. Please carry any documents and valuables in your hand luggage.

Onboard Odyssey

The All-Inclusive Cruise

As you know, *Odyssey* operates as a true all-inclusive cruise experience. Virtually all drinks are included, as are all dining experiences and gratuities. Even your in-room bar is complimentary.

Of course, there are a few things that are not included: Internet charges, spa services, laundry services, boutique purchases, casino play, and shore excursions are amongst the things that can be charged directly to your room account. There is also an optional premium wine list available to supplement the included wine selections.

Personal Funds & Shipboard Charges

The currency on board is U.S. dollars. Seabourn ships operate on a cashless system. You can validate your onboard charge card with Visa, MasterCard, Novus, or American Express, or sign for payment by cash or traveler's check. Guests can then sign all on-board services and purchases to their account. At the end of the cruise, you will receive a completely itemized statement.

For your convenience, the ship has an on-board ATM machine that dispenses U.S. currency. Bank debit cards on the PLUS and CIRRUS networks and the following credit cards: American Express, Discover/Novus, MasterCard and VISA are accepted. Fees will be charged per transaction.

Your Suite and Amenities

The suites on *Odyssey* are incredibly comfortable, with all the modern amenities you'd expect on a luxury cruise ship. The ship has both 110 (US standard) and 220 (European) voltage power outlets in the rooms. All the water onboard is filtered and potable.

Each room is serviced by a dedicated butler who will handle all requests, sometimes before you can even ask.

There is a complimentary in-room bar setup that your butler will arrange to your personal taste upon embarkation.

Customs & Immigration at Sea

At each port of call, customs and immigration officials may board the ship and clear it before we are allowed to go ashore. Normally, this occurs without your knowledge or participation. Occasionally, passengers are called for inspection. In these cases, please follow the instructions provided to assure that we are able to disembark in a timely manner in each port.

Gratuities and Tipping

Seabourn operates a no-tipping policy, and no additional gratuity is required or expected at any time.

Shore Excursions

You can pre-book shore excursions in advance on the Seabourn web site (Seabourn.com) until August 14th. Upon arrival to the ship, you will receive tickets for your pre-booked excursions in your suite. You may purchase additional shore excursions onboard, in Seabourn Square.

Atlantis has worked closely with Seabourn to enhance and develop excursions that will be fun and exciting for our audience. All of the excursions are “exclusive” to Atlantis guests.

Finally, we are in the process of adjusting some of the shore excursion times to better reflect the needs of our more active clientele. Please pay close attention to time changes once you arrive as many of the start times may change. Thank you for your understanding.

Laundry & Dry Cleaning Services

Laundry, dry cleaning, spot removal, and pressing services are available for a reasonable fee. Laundry bags and service request forms are in your room. Ask your butler for details.

There are also complimentary self-service laundry facilities onboard.

There are no irons in staterooms as they constitute a fire hazard. Please note that portable irons are not permitted for the same reasons. There are irons in the self-service laundry facilities.

Smoking Policy

For the comfort of all of our guests, designated smoking and non-smoking areas are available throughout the vessel. All staterooms, dining areas, and showrooms are non-smoking. Smoking is permitted only in specific areas of the ship, which will be detailed in the program onboard. As a courtesy to our guests, ship personnel will thoroughly enforce the smoking policy.

Smoking is not permitted at any time in any stateroom or on the balconies onboard.

If You Have a Problem or Question

Both the Guest Relations Desk and the Atlantis Team can handle most any difficulty you may encounter. Generally, issues relating to your stateroom, the ship, schedules, or billing should be directed to the Guest Relations Desk. Questions regarding entertainment, service, special requests, or anything else should be directed to the Atlantis Team. Questions about excursions should go directly to the Shore Excursions Desk..

Important Guest Notice

Please remember that all our guests are bound by Seabourn's Passenger Ticket Contract. The policy is intended to help ensure that all guests are able to participate in a safe and enjoyable cruise experience and sets forth standards of conduct for guests to follow throughout their vacation. Please take a minute to read the contract on their website:

Although we shouldn't have to say this, please remember that both Seabourn and Atlantis have a zero-tolerance policy towards all illegal substances and behavior that violates the above

policy. Any violation could result in your vacation being terminated early, or worse.

If a guest is found in possession of an illegal substance, appropriate action will be taken, which may include removal from the ship and involvement of appropriate authorities, which may result in prosecution. Guests removed from the ship pursuant to this policy are responsible for their own accommodations and transportation home, at their expense and no refund will be offered for the unused portion of your cruise.

Spa Services

Odyssey features a terrific full-service spa, offering a wide range of services, including massage, facial, aromatherapy, hairstyling, and much more. Appointments for these services should be made early in your cruise, as many of the services book up early. All spa services are an additional charge which can be signed to your stateroom.

Medical Services

Should you require medical attention while on board, an infirmary staff is available to assist you 24 hours a day. A doctor is available to render services at a customary charge. The infirmary is capable of providing treatment for minor matters which may arise during your cruise and are capable of assessing and stabilizing most medical emergencies. Should you require treatment for a serious condition which requires hospitalization, then arrangements may be made to transfer you to a medical facility ashore. While at sea, the ability to transfer you to a shore side facility may be limited or delayed by weather or logistical considerations. If you are currently suffering from a serious medical condition, please consult with your personal physician prior to sailing. The onboard doctors are independent contractors..

Important Health Notice – Please Read!

If you should come down with a contagious disease, or even suspect a contagious disease, it's compulsory that you report it to the ship's infirmary for the safety of everyone on board. Should you be on any medication, or want the medical staff to be aware of any special needs, please contact the infirmary. This will ensure that they will be prepared should you need assistance.

In rare instances, the ship's medical staff may determine that your medical condition will require you to be quarantined in your stateroom to protect the health of our other guests. While both Seabourn and Atlantis will make every effort to make you comfortable in such a situation, we are unable to compensate lost vacation time due to quarantine.

Please note that the ship follows CDC guidelines on all quarantine issues, and there is little flexibility in applying the rules, particularly where gastrointestinal symptoms are present.

As always, we highly recommend travel insurance to assist with unforeseen costs and reimbursement for missed vacation time due to illness of any type. If you do not have travel insurance, it can be purchased virtually right up to departure time.
