30th Anniversary Caribbean Cruise

February 8 - 15, 2015 | *Regal Princess*

Your Cruise Vacation Guide

Welcome to RSVP's 30th Anniversary Caribbean Cruise!

In 1985, Kevin J. Mossier had a bold, new idea – to provide a safe, tailor-made vacation for gays and lesbians. In that moment, the gay cruise concept was born with our first cruise for 750 guests out of New Orleans in 1986. Three decades later, we're thrilled to welcome 3600 guests to the brand new *Regal Princess*.

There are so many things we'd like to say to our loyal and first-time guests, but most of that can be wrapped up in two simple words: "thank you." Thank you for thirty years of laughter, adventure, silliness, friendships, and fun. Let the good times roll!

Regal Princess is the biggest and boldest ship RSVP has ever sailed, and we know you'll love her and her attentive staff. With round-the-clock activities, parties, and entertainment, there's simply no better place for us to celebrate our 30th Anniversary than on the newest ship in the Caribbean!

Team RSVP has spent months planning your vacation and we know you're excited to discover all that awaits you. So sit down, grab your favorite drink, and read on! This guide outlines everything you need to know before you cruise and what you can expect onboard, including RSVP signature entertainment and parties. And of course...there'll be plenty of surprises along the way!

Whether you're a first-timer or you've traveled with us many times before, you'll quickly discover that RSVP is exactly where you belong. We can't wait to welcome you aboard and meet you in person!

Enjoy,

Randle, Rachel, Nick, Dann, John, Abel, Brad, & Team RSVP

Essentials - Things to Know and Do

First! Register Online with Princess

To expedite embarkation, you'll want to complete your online check-in with Princess Cruises by February 5. It takes about 10 minutes from start to finish. Simply visit <https://book.princess.com/cruisepersonalizer/index.page?company=PC> and follow the outlined instructions.

You'll need your Princess Booking Number, your passport, and a credit card to complete online check-in. Once you fill in all the required details, be sure to print your Boarding Pass.

If you need Online Check-In Assistance, please contact Princess at 800.774.6237.

Please note that if you are unable to complete online check-in, you will be able to complete manual forms at the pier. It might take a bit longer to get through security, but we'll be able to get you onboard with only minor delays.

Onboard Services

After completing your online check-in, you'll be able to book the following services:

- Lotus Spa Services
- Shore Excursions
- Airport Transfers (if needed)

You'll find information about Shore Excursions and the Lotus Spa in our "Details" section.

February 8, 2015

Getting to the Pier

Regal Princess will be docked at Port Everglades, conveniently located about 10 minutes from the Fort Lauderdale airport (FLL) and about 15 minutes from the center of Ft. Lauderdale. There is only one port facility in Ft. Lauderdale.

The address is:
Port Everglades, Terminal 2
1801 SE 20th Street
Fort Lauderdale, Florida 33316

For those of you flying into FLL, we recommend simply taking a taxi from the airport to the ship. However, organized group transfers from MIA or FLL airports to the pier on February 8 and from the ship to MIA or FLL on February 15 may be purchased from Princess's online Flights & Transfers page. You may also purchase return transfers onboard from the shore excursions desk.

Transfers to/from FLL to the pier cost \$19.00 USD each. To/from MIA to the pier, \$24.00 USD each. The transfer costs will be charged to your onboard account.

Taxi fare from Ft. Lauderdale Airport is approximately \$20-\$25, and from Miami Airport, \$70-\$80.

Parking is also available at the pier.

Check In and Boarding Time

Guest check-in begins at approximately 12:00pm on February 8, although boarding may take place shortly after that. Please note that staterooms will not be available until 1:00pm.

If you are staying in Ft. Lauderdale before the cruise, we ask that you arrive after 1:30pm so that our guests flying in on Sunday may check in without waiting. You won't miss anything except standing in line and there is limited seating in the terminal.

All aboard is 3:00pm, and any guests arriving after that time will be denied boarding.

Regal Princess sets sail for the Bahamas at 4:00pm sharp!

Documents Required

You'll need the following to complete check-in:

- Your printed Boarding Pass. If you do not have this as a printed document, you will be required to complete all of the compulsory information again at the pier
- Proof-of-citizenship credentials (driver license and official birth certificate) or Passport
- A credit card or cash for onboard charges

Contacts Before Sailing

If you have any questions about your cruise, you can reach RSVP Vacations at 310.432.2300, Monday – Friday, 9:00am to 6:00pm Central Standard Time.

February 15, 2015

Arrival into Fort Lauderdale

Upon arriving into Fort Lauderdale on February 15, we will begin disembarkation around 7:00am. Disembarkation generally takes around three to four hours and all guests will be off the ship by 11:00am at the latest. You will receive a questionnaire in your stateroom early in the week asking for your post-cruise arrangements. Please complete this form and return it to the ship's Passenger Services Desk on Deck 5 or simply hand it to your stateroom steward as soon as possible so they can arrange the disembarkation time that best suits your post-cruise needs. On February 14, you will receive a disembarkation information sheet and the appropriately-colored luggage tags (based on the answers given on the disembarkation questionnaire) in your stateroom mailbox.

Airport to Ship Transfers

If you purchased an airport transfer from the Shore Excursion Desk, the appropriate luggage tags and instructions will be delivered to your stateroom. If you have not received the information by the evening of February 14, please contact Passenger Services immediately.

Contacting the Ship After You Disembark

For lost or forgotten items, email lostandfound@princesscruises.com.

For onboard billing questions after the cruise, please call 1.800.PRINCESS.

Important Information

Customs & Immigration

Customs and immigration officials will board the ship and clear it in each port before we are allowed to go ashore. Normally, this occurs without your knowledge or participation. Occasionally, passengers are called for inspection for a variety of reasons. In these cases, please follow the instructions provided to ensure we are able to disembark in a timely manner.

While we shouldn't have to say this, please don't even think of bringing any type of illegal substance, hazardous material, or other items that are banned by customs or ship security.

Remember that both Princess and RSVP have a zero-tolerance policy towards all illegal substances and behavior that violates the above policy. Any violation could result in your vacation being terminated early, or worse. If a guest is found in possession of an illegal substance, appropriate action will be taken, which may include removal from the ship and the involvement of appropriate authorities, which may result in prosecution. Guests removed from the ship pursuant to this policy are responsible for their own accommodations and transportation home (at their expense) and no refund will be offered for the unused portion of their cruise.

No Solicitation Policy

We do not allow guests to advertise, market, or offer any other type of commercial or non-profit solicitations onboard. We want the environment onboard to be free of advertising and other clutter. Any guest violating this policy will be fined a minimum of \$3,000 on their shipboard account.

Beverage Restrictions

As provided in the Princess Passage Contract, passengers agree not to bring alcoholic beverages of any kind onboard for consumption, except one bottle of wine or champagne per adult per voyage, which will not be subject to a corkage fee if consumed in the stateroom. Additional wine/champagne bottles are welcome, but will incur a \$15 corkage fee each, no matter where they are intended to be consumed. Liquor, spirits, and beers are not permitted. Also, for charter events, cases of soda/bottled water are prohibited. As luggage is loaded onto the ship, it will be scanned and items outside of Princess's policy will be removed and discarded. Alcoholic beverages purchased duty free from the ship's gift shop or in port will be collected for safekeeping and delivered to the your stateroom on February 14.

Door Decorations

Part of the fun of any RSVP vacation is decorating your stateroom door. When decorating your door, decorations should not obstruct doorways, hallways, or create an electrical or fire hazard. Also, please refrain from using offensive images or nudity on door decorations. Please respect ship property and do not damage door surfaces. It is your responsibility to clean up your decorations at the end of the cruise. The costs associated with any damage to your door will be charged to your onboard account.

Smoking Policy

Cigarette smoking is limited to the areas clearly marked "Dedicated Smoking Areas." This includes Churchill's Cigar Lounge (Deck 6 Forward), a small section of the casino on the Starboard side, Promenade Deck 7 Starboard Aft, and the Starboard side of the Terrace Pool. Smoking is prohibited in staterooms, on balconies, and in corridors, elevators, stairways, public bathrooms, and all common areas except as listed here.

The use of electronic cigarettes is allowed within the confines of your stateroom (but not on your balcony) and within the Designated Smoking Areas.

Personal Funds & Shipboard Charges

One of the best things about cruising is the convenience of being able to sign for all your expenses and have them charged to your stateroom. Princess's cashless system is designed to make your life onboard as easy as possible. Your account is activated at the pier by presenting Princess with a major credit card. An itemized statement outlining all your onboard charges will be delivered to your stateroom prior to disembarkation. By providing your credit card details in advance, you are automatically registered for Express Check-Out and there is no need to visit Passenger Services to settle your account. Please note that all charges made to your credit card will be made in U.S. dollars. If you do not wish to register a credit or debit card and would prefer to open a cash account instead, please see Passenger Services on Deck 5 to submit a deposit.

Itinerary Changes

RSVP and Princess Cruises have carefully planned this itinerary for your enjoyment. Although we do our best to adhere to published ports and times, both weather and sea conditions may force us to alter the itinerary during the cruise.

Documentation Requirements

Although a passport is not required for this itinerary, RSVP and Princess highly recommend U.S. travelers carry a passport. U.S. citizens who do not have a valid passport must provide the following proof of citizenship:

- Naturalization certificate or an original certified birth certificate from the state of their birth (a hospital certificate will not suffice).
- And a current/valid government-issued photo identification, such as a driver license. U.S. citizens may also present a U.S. Passport Card.

Visa and passport requirements for all other nationalities vary and should be confirmed with your embassy or consulate. Please note it is the responsibility of all passengers to have all necessary documentation. Failure to have the proper documentation will result in denied boarding and no refund will be provided.

Onboard Clothing Packing Advice

RSVP emphasizes a comfortable atmosphere where sportswear and casual resort attire is appropriate for nearly every occasion.

On-Shore Clothing Packing Advice

Plan for comfortable days and nights. The average February temperatures in the Caribbean are typically in the low 80s during the day and low 70s at night. Swimsuits, sunscreen, hats, and sandals are essential.

Miscellaneous Packing Advice

Plan for uncertainty; pack at least one change of clothing in your carry-on luggage in case your bags are lost or mishandled en route. Please do not pack any valuables (passport, medications, cameras, jewelry, electronics, cash, etc.) in your checked baggage. Also, bring your own basic toiletries, as the onboard stores are not open while in port.

Party Themes and Costumes

Our theme parties might warrant something special, but these, of course, are always optional. You'll be comfortable dressing in or out of theme. All parties listed will be outside near the Fountain Pool, mid-ship.

RSVP Entertainment & Party Preview

Princess Patter, containing the complete entertainment and event schedule, will be delivered to your stateroom each evening. Below is a preview of RSVP's featured entertainment and parties. Please note that performance times and dates are subject to change.

RSVP Fun Fact

For those unfamiliar with the history of T-Dances, here's a perfect primer to get you up-to-speed: [T-Dance History](#).

Team RSVP

Team RSVP consists of our full-time employees and part-time talent working together to create an exciting cruise experience for you. You'll see us morning, noon, and night. We'll be on-hand throughout the ship to host and assist with every aspect of your vacation. Do not hesitate to ask any of us if you have a question or require assistance. Simply look for us in our RSVP name badges. We'll also host a Hospitality Desk on Deck 5 at Passenger Services. Our desk is open daily and is your central resource for RSVP-related information. Hours vary day to day and are posted in the daily *Princess Patter* and at the desk itself.

Internet Access

Guests may send and receive email in real time via satellite link. Wireless Internet is accessible across the ship. The ship offers a variety of pricing options to suit your individual needs from pay-as-you-go to discounted time plan packages. Please note that Internet speeds are similar to dial-up connections and are much slower than what you typically experience on land. In addition, sometimes you might not be able to get online because of overall web traffic or poor satellite conditions.

WiFi Pricing:

Pay-As-You-Go	\$0.79/minute
100 Minutes	\$69 (\$0.69/minute)
200 Minutes	\$99 (\$0.50/minute)
400 Minutes	\$159 (\$0.40/minute)
600 Minutes	\$199 (\$0.33/minute)

Please note that remaining minutes on purchased packages are non-refundable if unused.

Also...and we'll say this as clearly as we can because it's always an issue for some...we as a community tend to be more connected than typical guests. That puts unusual demands on the limited bandwidth onboard. We recommend trying to unplug a bit – after all, you're on vacation (and it's expensive!). If you're unable to connect satisfactorily on the ship, you should be able to connect wirelessly at cafes, restaurants, and coffee shops around Cozumel and Grand Cayman.

Mobile Phone Access

You can take advantage of your wireless devices while at sea. With Princess's onboard service, you can make and receive calls using your own mobile phone and telephone number. A service plan capable of roaming internationally with Maritime Communications Partners AS is required. Charges will appear as a "roaming charge" on your regular monthly bill. Rates are very high and are set by each home carrier. We recommend checking rates prior to traveling. Other restrictions and limitations may apply.

Princess@Sea App

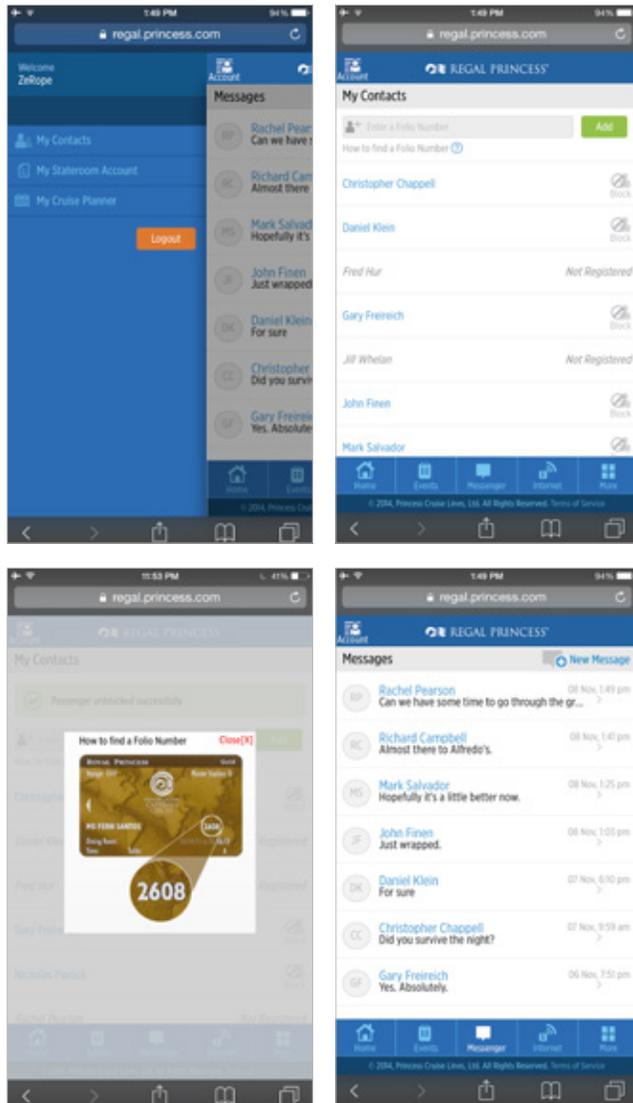

There's a great new technical feature onboard that we know you'll love and hopefully use.

Princess Cruises offers a complimentary app that allows you to connect with other cruisers via their intranet system. To sign up once onboard, simply connect your mobile device to the WiFi server called "Regal Princess" and use your browser to go to regal.princess.com. You'll be immediately connected.

Once connected, simply register by choosing a User Name and Password. You'll be prompted to enter a verification code, which can be found on the back of your cruise card at the top; look for the number following the asterisk.

Once registered, you can add your friends to “My Contacts” by inputting their folio number. Folio numbers can be found on the front side of the cruise card. Once you enter your friends’ folio numbers, they’ll show up on your My Contacts list. However, until they actually sign up for the free service, they will show as “Not Registered” within the app.

It’s easier than it sounds. Here are the sample screens:

As you build your network, you’ll be able to chat with friends old and new. Also through the app, you can access a summary of your onboard account and the daily *Princess Patter*.

If you need assistance with the app, the Princess Passenger Services Team Members on Deck 5 are more than willing to lend a hand.

Ladies of RSVP Retreat

Regal Princess’s abundant space allows us to provide the Ladies of RSVP their own private retreat. Tucked away in a specially marked area on the port side of Deck 17 Aft (adjacent to Remix), you’ll find private loungers and an exclusive hot tub. Of course, you’re also welcome at all other pools and hot tubs, too, but this one has been carved out just for you!

Medical Services

Medical services are available on *Regal Princess* 24 hours a day. The Medical Center is located mid-ship on Deck 4 and opening hours will be listed daily in your *Princess Patter*. Charges for medical services will be added to your shipboard account and you will be provided with an itemized summary to submit to your insurance company. The ship’s Medical Center is primarily intended to provide acute care for illness and accidents that may occur while on vacation and is not intended to provide long-term care for patients with chronic illnesses. They are capable of treating minor matters, as well as assessing and stabilizing most medical emergencies. If you require treatment for a serious condition, arrangements may be made to transfer you to a medical facility ashore. If you are currently suffering from a serious medical condition, please consult with your personal physician prior to sailing. If you would like the medical staff to be aware of any special conditions or medications, please contact the Medical Center or Passenger Services on Deck 5 upon boarding. Be sure to pack any medications in your carry-on and in their original prescription containers to avoid delays with security.

If you should come down with a contagious disease, or even suspect a contagious disease while onboard, it’s compulsory you report it to the ship’s Medical Center for the safety of everyone onboard. In rare instances, the medical staff may determine your medical condition requires you to be quarantined in your stateroom to protect the health of other guests. While both Princess and RSVP will make every effort to make you comfortable in such a situation, we are unable to compensate for lost vacation time due to quarantine.

Important note: *Regal Princess* is registered in Bermuda. For U.S. citizens, please verify with your insurer that your coverage applies outside the United States. As always, we highly recommend travel insurance to assist with unforeseen costs and reimbursements for missing vacation time due to illness.

HEALTH SCREENING ADVISORY:

In light of recent news regarding the Ebola virus, Princess wishes to advise all guests that they’ve adopted new boarding procedures and screenings following collaboration with the international health authorities. They will be screening for any guests or crew who have visited or traveled through countries with a US CDC Level 3 Travel Warning (Liberia, Sierra Leone and Guinea) or had physical contact with or helped care for a person suspected of having Ebola within 21 days of our cruise departure date. These individuals will be denied boarding. Princess is also monitoring bookings for any guests coming from these countries. Princess Cruises has in place robust medical protocols that are consistent with public health

guidance. They are monitoring the situation closely, along with our colleagues in the rest of the travel industry. Guests seeking more information on Ebola can visit the World Health Organization's website at www.who.int or the CDC website at www.cdc.gov/vhf/ebola/. Should you have any questions about these travel requirements, please call 800.774.6237 to speak with a Princess Guest Relations agent.

You may submit any special medical-related requests or conditions by contacting RSVP Vacations at 310.432.2300 prior to January 23.

Gratuities & Tipping

All standard service charges for your stateroom attendants and dining room staff have been pre-paid with your RSVP reservation. Additional tipping for exceptional service is of course at your discretion. This standard gratuity does not cover purchases made onboard, and as such a 15% service charge is automatically added to bar charges, dining room wine purchases, and spa services. In terminals, airports, ports of call, and on shore excursions, we suggest you extend gratuities consistent with customary local practices.

Treatment Rooms – The Lotus Spa on *Regal Princess* features 18 treatment rooms, including two luxurious Couples Villas. These private retreats offer a quiet place for time together with side-by-side massage tables, a soothing whirlpool bath, customized music for relaxation, and a sitting area with ocean views.

Relaxation Lounge – A private space to relax before a treatment, this comfortable lounge features a calming atmosphere and scenic ocean views. Here you can enjoy a cup of herbal tea or fruit-infused water as you unwind.

Lotus Spa Salon – Within the spa, a full service salon provides a range of services, including a new "social" nail bar with side-by-side stations for an interactive manicure experience. Also offered here are private teeth whitening stations with individual TVs, pedicure stations, and barber shop.

Sanctuary and Retreat Pool Features:

The Sanctuary, located on the top deck, features two private cabana options along with plush loungers and Serenity Stewards. The nearby Retreat Pool provides a serene spot for a dip, along with peaceful poolside cabanas. These three private cabana options offer new ways to find that perfectly relaxing place. Optional picnic baskets are available to make it even more special.

The Sanctuary – A complete oasis of tranquility, with four private Sanctuary Cabanas for a more luxurious experience, plus two Lotus Spa Cabanas offering an elegant private space for a range of spa treatments. Featuring the air of a romantic hideaway under its distinctive white canopy cover, The Sanctuary design includes strategically placed rock gardens and special topiary planting with atmospheric lighting. Guests can relax on luxurious plush lounge chairs or circular daybeds, while Serenity Stewards provide healthy refreshments and music players with peaceful music. Lounge chairs in The Sanctuary can be reserved for \$20 for a half day or \$40 for a full day, per person.

Sanctuary Cabanas – Within The Sanctuary, four Sanctuary Cabanas offer an even more exclusive and special experience with amenities such as a personal television with noise-reducing wireless headphones, cushy sofas, luxurious robes and slippers, a welcome cocktail, and healthy snacks including nuts and dried & fresh fruit. The cabanas also feature a fully stocked mini-bar with refreshing waters and sodas, as well as a choice of alcoholic options, including beer or wine. Sanctuary Cabanas are available from \$140 for a half day.

Lotus Spa Cabanas/Royal Indulgence Package – The two luxurious Lotus Spa Cabanas offer a truly special alfresco massage experience. These larger, enclosed areas provide added privacy, a comfortable resting area with a television and plush chairs, a treatment area with two massage tables for a refreshing couples massage and beautiful ocean views looking out over the front of the ship. A variety of customized packages are available for the Lotus Spa Cabanas, ranging from \$320 to \$3,000. The top of the line package is a “Royal Indulgence” package for four people. This exclusive experience provides the ultimate in pampering with all-day massages and gourmet food and beverage offerings.

Retreat Pool – Adjacent to The Sanctuary, the Retreat Pool provides an area to relax and rejuvenate. The Retreat Pool on *Regal Princess* offers Retreat Cabanas that can be reserved for an enhanced experience. These cabanas are the perfect way to enjoy private space poolside, or even add the indulgence of one of the ship’s special picnic baskets. The Retreat Pool is open to all guests and Retreat Pool Cabana rental is available from \$50 for a half day.

At night, the area around the Retreat Pool turns into RSVP’s Night Sky Chill Lounge, offering guests a relaxed outdoor space to enjoy the night with drinks and music.

You may pre-book Lotus Spa packages and salon services in advance using Princess’s online Cruise Personalizer until February 1, 2015. Reservations for Sanctuary & Retreat Pool Cabanas can be made onboard starting at 5:30pm on February 8. The reservations desk is located on Deck 17 Starboard between the Retreat Pool and The Sanctuary entrance. Suite guests may book between 4:00pm and 5:00 pm in the Concierge Lounge on Deck 14.

Once a spa appointment has been officially made, if you need to cancel it for any reason,

you must do so at least 24 hours in advance of your appointment. Otherwise, a 50% charge applies.

Stateroom Information

Power & Water

The ship has both 110 (U.S. standard) and 220 (European) voltage power outlets in the staterooms. All water onboard is filtered and potable, however bottled water is available for purchase from all bars.

Laundry & Dry Cleaning Service

On *Regal Princess*, standard (48-hour return) and express laundry and dry cleaning services are available at about the same price you would expect to pay in a hotel. You will find laundry bags and price lists in your closet or you can ask your stateroom attendant for details. For safety reasons, ironing is prohibited in your staterooms. Self-service laundrettes, with washers, dryers, and laundry products, are also available onboard for a nominal charge. There are also irons and ironing boards available in the laundrettes.

Detailed instructions for calling another stateroom can be found in the Guest Services Directory located on the desk in your stateroom. In simplest terms, you enter the corresponding deck number followed by the required stateroom number.

Look for it in your stateroom on Day One. With *Regal Princess* being sold out, room changes are not possible.

European Sunbathing Deck

We will offer two areas for nude sunbathing – on Deck 19 Forward and on Deck 17 Starboard. The areas will be well marked and we ask that all guests respect those markers. Waiter service will be unavailable in these areas. It obviously goes without saying, but we’ll say it anyway...please put on your swimsuit before leaving the European Sunbathing Decks to get a drink or to head back to your stateroom. Also, don’t forget to put sunscreen down there!

Princess Captain’s Circle Membership

All RSVP guests belonging to Princess’s Captain’s Circle loyalty program will earn credit for this sailing. In addition, you’ll also receive most of the applicable onboard benefits commiserate with your Captain’s Circle membership level.

Where You Eat

As always, RSVP features open seating at all meals. You can eat whenever and sit with whomever you'd like. However, in order to accommodate everyone smoothly and comfortably, there are a few guidelines.

Regal Princess has three main dining rooms, which we will operate and open one at a time in the following sequence: Allegro, Concerto, then Symphony. Once Symphony fills to capacity, we'll start over again with Allegro and Concerto. We'll have signage and wait staff pointing the way to the currently open room, but please note that in order to offer open seating successfully, during the transition from one dining room to the next you may be asked to walk from one to the other – a small inconvenience to eat whenever and with whomever you choose.

Team RSVP will be on-hand outside the Allegro, Concerto, and Symphony restaurants to greet you, help with seating, and answer questions. We always encourage you to join our other guests for meals; it's the best way to meet people. Both RSVP and Princess will do our best to honor special seating requests, but please note that the majority of tables in the main restaurants seat 6 or 8 people, with a small number seating 10. For the majority of parties larger than 8, we cannot guarantee that everyone will be able to sit together, but we will do our best to find nearby tables.

If you prefer a more traditional cruise experience with an assigned table and waiter for dinner, simply request that option from the Maitre D' and they'll do their best to accommodate you.

Please be patient during peak hours of 8:00 to 8:30pm as there may be a slight wait in the main restaurants. If you're the type of person who prefers not to wait or gets upset with queues (and you know who you are), for the sake of all that's good in this world, please avoid this window of time entirely.

Room Service

Complimentary room service is available 24 hours a day. To have continental breakfast delivered to your stateroom, fill out the breakfast card included in your stateroom portfolio (one is also placed on your pillow) and hang it on the outside of your stateroom door prior to going to bed. Your continental breakfast will then be delivered the next morning at the time of your choosing. For all other times, simply press the "Room Service" button on your phone to place an order. Also, if you wish to enjoy a relaxing drink in the privacy of your stateroom, bottles of liquor and stateroom bar packages are available for purchase at non-duty-free prices through room service. The stateroom directory lists a complete menu of offerings.

Specialty Restaurants

Variety is the spice of life, especially when it comes to gourmet fare. For the perfect night with your husband, wife, partner, or with friends, be sure to check out Regal's fabulous specialty restaurants. Reservations are required for dining in Sabatini's, Crown Grill, and Fondue or Crab Shack in Horizon Court. Please note there is an extra charge for dining in these specialty restaurants. You can make a same- or next-day booking in-person at the designated times listed in *Princess Patter*. Reservations are based on availability and are first come, first served.

Crown Grill

Crown Grill entertains diners with an open, theater-style kitchen where chefs custom-prepare steamed shellfish – such as lobster, scallops, clams, and mussels – and cooked-to-order steaks and chops. Crown Grill charges a \$25 service fee per person.

Sabatini's

Sabatini's serves up an authentic Italian dining experience in a remarkable 8-course meal. The stellar menu features both local seafood specialties and other regional favorites. Sabatini's charges a \$25 service fee per person.

Crab Shack

From bayou-style boiled mud bugs to steamed Alaskan king crab legs, the Crab Shack will delight those who love traditional and simple seafood done right. Available select nights in Horizon Court with a \$20 per person cover charge.

Fondue

As the saying goes, "everything old is new again," and fondues are booming on a wave of nostalgia. On select nights in Horizon Court, Fondue will allow you to experience that most authentic of Swiss traditions – the fondue. Available select nights in Horizon Court. This special event dining has a \$20 per person cover charge.

Please note that shorts and tank tops are not permitted in Crown Grill or Sabatini's for evening dining.

Valentine's Day – Saturday, February 14

For the first time in our history, Valentine's Day falls on the final night of our cruise. We know many couples will be looking for a romantic dining option on this night, so we've worked hand-in-hand with Princess to maximize your choices for this special evening.

- Crown Grill (approximately 75 couples) – \$25 per person
- Sabatini's (approximately 75 couples) – \$25 per person
- In-Stateroom Dining (approximately 10 couples) – a romantic dinner for two on your balcony – \$100 per couple
- Dinner Under the Stars (approximately 50 couples)

For the first time ever, Princess will offer a special menu for two under a canopy of stars at 8:00pm on Deck 16. – \$25 per person

Reservations for these options will be conducted differently than the reservations for all other days. Reservations for the above options can only be made in-person at the designated table in The Piazza on Deck 5 on Thursday, February 12 from 1:00pm – 4:00pm. Suite guests may make a reservation for any of the above options directly with their Concierge from Day One up until 11:00am on February 12.

Because of limited availability with the above four options, Allegro, Concerto, and Symphony Dining Rooms will also feature a special Valentine's Day Menu on Saturday night. As always, dining in the main restaurant is complimentary and tables seating only two cannot be guaranteed.

Special Occasions

We are at your service for any special celebration. Whether it's a birthday, anniversary, or any other event, we want to make it memorable! Once onboard, please see either an RSVP or Princess team member and we'll help you make it unforgettable.

Singles Dining

Traveling solo doesn't mean you have to eat alone. Whenever you enter our main restaurants, please let Team RSVP know you would like to be seated with other guests. Also, there will be a designated non-RSVP-hosted meeting place for single guests to gather for drinks before dinner most nights. See *Princess Patter* for specific times and locations.

Special Diets

Since we operate with open seating, it is your responsibility to notify your server and/or the Dining Room Manager of any special requests/needs you have each time you dine.

Optional Beverage Packages

Princess will offer the following beverage packages on our charter:

- **Unlimited Soda Package** (\$4.50/day + 15% Gratuity) – unlimited fountain Coca Cola products, available at all bars (except satellite bars) and restaurants. Please note fountain beverages are not available from room service. Only one drink at a time per sticker.

Got Talent?

In addition, for those of you who were born to sing, you'll want to bring sheet music with you for RSVP's *The Voice*, with pianist Jack Aaronson. Think open mic night: we'll provide

the accompanist, sound system, and the spotlight...you provide the star power! If you'd like to send your sheet music to Jack in advance, you can do so at jack@jackplayspiano.com. Otherwise, just bring it along with you!

Got Books?

At RSVP, we realize life is about balance. In fact, we know some of you would rather curl up with a good book instead of doing pretty much anything else. For you, we're pleased to bring back the RSVP Book Club – a place to have intellectual conversations with like-minded guests. Led by moderator Tim Aumiller, our 30th Anniversary Caribbean Cruise's RSVP Book Club selections are:

***The City and the Pillar*, by Gore Vidal**

Jim, a handsome, all-American athlete, has always been shy around girls. But when he and his best friend, Bob, partake in "awful kid stuff," the experience transforms Jim's ideal of spiritual completion. Defying his parents' expectations, Jim strikes out on his own, hoping to find Bob and rekindle their amorous friendship. [Buy *The City and the Pillar* on Amazon Now](#)

Lawfully Wedded Husband: How My Gay Marriage Will Save the American Family

When author Joel Derfner's boyfriend proposed to him, there was nowhere in America the two could legally marry. That changed quickly, however, and before long the two were on what they expected to be a rollicking journey to married bliss. What they didn't realize was that, along the way, they would confront not just the dilemmas every couple faces on the way to the altar, but so much more. Good to Know

En Route Delays

If you encounter unforeseen flight or weather-related delays on sailing day, we suggest you immediately advise an airline representative at the airport that you are a cruise passenger destined for sailing that day. Often, airlines are able to arrange alternative flights at the airline counter for passengers to continue with their travel to the point of embarkation. It is the airline's responsibility to make alternate flight arrangements resulting from a delay or cancellation.

In the event costs are incurred, you are responsible for out-of-pocket expenses. If you've purchased travel protection, costs incurred as a result of trip delays are likely covered by Trip Delay protection. Please ensure you keep all receipts for submission and contact your travel plan administrator for assistance and clarification.

If your delay involves missing the ship in Fort Lauderdale, you must immediately contact the En Route Desk to confirm you will be permitted to join the vessel at the next port of call. In certain instances, you will not be permitted to join the vessel at the next port if the late embarkation will result in a violation of the Passenger Vessel Services Act (PVSA).

Upon learning your new flight arrangements, we ask that you immediately contact Princess with your new flight information. You may call Princess toll-free at 800.545.0008. This special number is operational only in the United States and Canada. Outside of the United States and Canada you may reach Princess at 661.284.4410. Within Australia, use 13.24.88. The En Route Desk is staffed 5:00am – 8:00pm PST Monday through Friday and 5:00am – 5:00pm PST Saturday and Sunday.

After-hours support is available in the event of en route delays. These calls will be routed to Princess's customer service centers in Australia or the United Kingdom, subject to the time of call. Their representatives will record your new flight information into your booking record.

If your checked baggage is delayed or misdirected by a common carrier, immediately report this to the carrier. Once you arrive onboard, report this delay to the Passenger Services Desk on Deck 5, providing the claim number and bag description. As a courtesy, the onboard staff will assist in following up with the airline; however, any costs incurred in forwarding the luggage to the ship is at the passenger's expense. Passengers who have purchased travel protection should verify with their policy carrier regarding Baggage Protection, which may include baggage delay coverage. Please keep all receipts for submission and contact your travel plan administrator for assistance.

IMPORTANT: The En Route Desk numbers provided here are for unforeseen delays only. If you have other questions, please contact RSVP or Princess Guest Service.
