30th Anniversary Alaska Cruise
August 1-8, 2015 | *Westerdam*

**Your Cruise
Vacation Guide**

Welcome to RSVP's 30th Anniversary Alaska Cruise!

In 1985, Kevin J. Mossier had a bold, new idea – to provide a safe, tailor-made vacation for gays and lesbians. In that moment, the gay cruise concept was born with our first cruise for 750 guests out of New Orleans in 1986. Three decades later, here we are...sailing one of our all-time favorite ships in one of the most beautiful settings on earth...Alaska!

There are so many things we'd like to say to our loyal and first-time guests, but most of that can be wrapped up in two simple words: "thank you." Thank you for thirty years of laughter, adventure, silliness, friendships, and fun. Let the good times roll!

Westerdam has become one of our favorite ships over the years because it exudes intimate luxury. Holland America Line's 5-star service and award-winning excursion program is simply the best in Alaska. And with her retractable "magradome" roof over the pool deck, *Westerdam* has us covered rain or shine!

Team RSVP has spent months planning your vacation and we know you're excited to discover all that awaits you. So sit down, grab your favorite drink, and read on! This guide outlines everything you need to know before you cruise and what you can expect onboard, including information about RSVP's signature entertainment and parties.

Whether you've traveled with us many times before or you're a first-timer, you'll quickly discover why RSVP is exactly where you belong. We can't wait to welcome you aboard!

Enjoy,

Randle, James, Dann, John, Abel, Brad, & Team RSVP

August 1, 2015

Getting to the Pier

Westerdam will be docked at the Port of Seattle, about 10 minutes northwest of Downtown Seattle and approximately 30 minutes from Seattle-Tacoma International Airport.

The address is:

Port of Seattle - Pier 91
2001 W Garfield St.
Seattle, WA 98119

For those of you flying into Seattle, we recommend simply taking a taxi or Uber Black from the airport to the ship. However, organized group transfers from SEA Airport to the pier on August 1 and from the ship to SEA on August 8 may be purchased by calling Holland America at 866.929.2332. You may also purchase return transfers onboard from the shore excursions desk. One-way transfers to/from SEA to the pier cost \$29.00 USD.

Taxi fare from SEA Airport to the pier is around \$50 USD. Uber Black runs between \$77-\$100. Please note that UberX is not available from SEA Airport, but can be ordered from nearby hotels.

Parking is available at the pier.

Check-In and Boarding Time

Guest check-in begins at approximately 11am on August 1, although boarding may take place shortly after that. Please note that staterooms are typically available around noon.

If you are staying in Seattle before the cruise, we ask that you arrive after 1pm so that our guests flying in on early Saturday morning flights may check in without waiting. You won't miss anything except standing in line and there is limited seating in the terminal.

All aboard is 3:00pm with the compulsory lifeboat drill at 3:15pm. Any guests arriving after 3:00pm will be denied boarding.

Westerdam sets sail for Juneau at 4pm sharp!

Documents Required at Check In

You'll need the following to complete check-in:

- Your printed Boarding Pass. If you do not have this as a printed document, you will be required to complete all of the compulsory information again at the pier
- Proof-of-citizenship credentials (driver license and official birth certificate) or Passport
- A credit card or cash for onboard charges

For onboard billing questions after the cruise, please call 877.932.4259.

General Information

Customs & Immigration

Customs and immigration officials will board the ship and clear it in each port before we are allowed to go ashore. Normally, this occurs without your knowledge or participation. Occasionally, passengers are called for inspection for a variety of reasons. In these cases, please follow the instructions provided to ensure we are able to disembark in a timely manner.

While we shouldn't have to say this, please don't even think of bringing any type of illegal substance, hazardous material, or other items that are banned by customs or ship security.

Remember that both Holland America and RSVP have a zero-tolerance policy towards all illegal substances and behavior that violates the above policy. Any violation could result in your vacation being terminated early, or worse. If a guest is found in possession of an illegal substance, appropriate action will be taken, which may include removal from the ship and the involvement of appropriate authorities, which may result in prosecution. Guests removed from the ship pursuant to this policy are responsible for their own accommodations and transportation home (at their expense) and no refund will be offered for the unused portion of their cruise

No Solicitation Policy

We do not allow guests to advertise, market, or offer any other type of commercial or non-profit solicitations onboard. We want your experience to be free of advertising and other clutter. Any guest violating this policy will be fined a minimum of \$3,000 on their shipboard account.

Beverage Restrictions

As provided in the Holland America Passage Contract, passengers agree not to bring alcoholic beverages of any kind onboard for consumption, except one bottle of wine or champagne per adult per voyage, which will not be subject to a corkage fee if consumed in the stateroom. Additional wine/champagne bottles in carry-on luggage are welcome, but will incur a \$18 corkage fee each, no matter where they are intended to be consumed. Beer, boxed wine, liquors, or any other spirits are not permitted. Also, for charter events, cases of

soda/bottled water are prohibited. As luggage is loaded onto the ship, it will be scanned and items outside of HAL's policy will be removed and discarded. Alcoholic beverages purchased duty free from the ship's gift shop or in port will be collected for safekeeping and delivered to the your stateroom on August 7.

Door Decorations

Part of the fun of any RSVP vacation is decorating your stateroom door. When decorating your door, decorations should not obstruct doorways, hallways, or create an electrical or fire hazard. Also, please refrain from using offensive images or nudity on door decorations. Please respect ship property and do not damage door surfaces. It is your responsibility to clean up your decorations at the end of the cruise. The costs associated with any damage to your door will be charged to your onboard account.

Smoking Policy

For the comfort of all of our guests, all staterooms and most other indoor areas are designated non-smoking. While smoking is not permitted in staterooms, guests are allowed to smoke on stateroom verandas. However, never discard cigarettes over the side of the ship; they can get easily sucked back into the ship's ventilation system and cause a fire. Smoking is also permitted in the following areas:

- Casino (active players only)
- Seaview Bar (starboard side only)
- Sports Deck (starboard side only)
- Observation Deck 10 (outside on the starboard side only)

Cigar and pipe smoking are not allowed anywhere inside the ship; they are only permitted on the outside decks as noted above. The use of electronic cigarettes is allowed within the confines of your stateroom and within the Designated Smoking Areas.

Any guest who smokes inside their stateroom in violation of Holland America's smoking policies will be charged a \$250 cleaning fee per day of violation.

Personal Funds & Shipboard Charges

One of the best things about cruising is the convenience of being able to sign for all your expenses and have them charged to your stateroom. Holland America's cashless system is designed to make your life onboard as easy as possible. Your account is activated at the pier by presenting HAL with a major credit card. An itemized statement outlining all your onboard charges will be delivered to your stateroom prior to disembarkation. By providing your credit card details in advance, you are automatically registered for express check-out and there is no need to visit the Front Office to settle your account. Please note that all charges made to your credit card will be made in U.S. dollars.

If you do not wish to register a credit or debit card and would prefer to open a cash account instead, please see the Front Office on Deck 1 to submit a deposit.

Itinerary Changes

RSVP and Holland America have carefully planned this itinerary for your enjoyment. Although we do our best to adhere to published ports and times, both weather and sea conditions may force us to alter the itinerary during the cruise.

Documentation Requirements

Although a passport is not required for this itinerary, RSVP and HAL highly recommend U.S. travelers carry a passport. U.S. citizens who do not have a valid passport must provide both of the following to establish proof of citizenship:

- Naturalization certificate or an original certified birth certificate from the state of their birth (a hospital certificate will not suffice).
- A current/valid government-issued photo identification, such as a driver license. U.S. citizens may also present a U.S. Passport Card.

Visa and passport requirements for all other nationalities vary and should be confirmed with your embassy or consulate. Please note it is the responsibility of all passengers to have all necessary documentation. Failure to have the proper documentation will result in denied boarding and no refund will be provided.

Onboard Clothing Packing Advice

RSVP emphasizes a comfortable atmosphere where sportswear and casual resort attire is appropriate for nearly every occasion. There are no Formal Nights onboard, so you can leave your suit/tuxedo behind.

On-Shore Clothing Packing Advice

Plan for cool and comfortable days and nights. August temperatures in Alaska can vary greatly. Average temperatures are typically in the upper 50s during the day and upper 40s at night. Rarely, but possibly you might see temperatures touch 80 degrees. The key to successful dressing for Alaska is layers. A t-shirt, sweater/sweatshirt, and light jacket combo usually does the trick and allows you to shed outer layers as temperatures rise.

Don't forget to bring swimsuits, sunscreen, hats, rainwear, and hiking boots if you plan to do more adventurous excursions.

Miscellaneous Packing Advice

Plan for uncertainty; pack at least one change of clothing in your carry-on luggage in case your bags are lost or mishandled en route. Please do not pack any valuables (passport, medications, cameras, jewelry, electronics, cash, etc.) in your checked baggage. Also, bring your own basic toiletries, as the onboard stores are not open while in port.

Party Themes and Costumes

Our theme parties might warrant something special, but these, of course, are always optional. You'll be comfortable dressing in or out of theme. Unless otherwise indicated, all parties listed will be outdoors near the Lido Pool, mid-ship on Deck 9.

RSVP Entertainment & Party Preview

RSVP Fun Fact

For those unfamiliar with the history of T-Dances, here's a perfect primer to get you up-to-speed: [T-Dance History](#).

A Few More Essentials

Team RSVP

Team RSVP consists of our full-time employees and part-time talent working together to create an exciting cruise experience for you. You'll see us morning, noon, and night. We'll be on-hand throughout the ship to host and assist with every aspect of your vacation. Do not hesitate to ask any of us if you have a question or require assistance. Simply look for us in our RSVP name badges.

We also host a Hospitality Desk on Deck 1 at the Front Office. Our desk is open daily and is your central resource for RSVP-related information. Hours are posted in the daily *Today On Location* and at the desk itself.

Internet Access

Wireless Internet is accessible at many points throughout the ship with a variety of pricing options to suit your individual needs. Note that this is new pricing and different from past cruises you might have experienced.

New Ways to Stay Connected Via Wifi

Social Plan \$5 per day or \$25 for the entire voyage
Access the most popular social websites and applications. Includes Facebook, Twitter, Instagram, Pinterest, LinkedIn, Facebook Messenger, WhatsApp, and Snapchat. Does not include access to other websites or apps.

Value Plan \$16 per day or \$60 for the entire voyage
Surf all your favorite sites, including email, news, sports, weather, banking, and finance. Note: Does not support Skype calling or music streaming services like iTunes Radio or Spotify.

Premium Plan \$25 per day or \$99 for the entire voyage
From email to Skype, Holland America's Premium plan promises the fastest possible connection, at speeds up to three times faster than their Value Plan. Supports Skype video calling, where coverage allows.

Basic Internet speeds are similar to old-fashioned dial-up connections and are much slower than what you typically experience on land. Online access may be limited due to poor satellite or weather conditions.

Also...and we'll say this as clearly as we can because it's always an issue for some...we as a community tend to be more connected than typical guests. That puts unusual demands on the limited bandwidth onboard. We recommend trying to unplug a bit – after all, you're on vacation. If you're unable to connect satisfactorily on the ship, you should be able to connect when on land in Juneau, Sitka, Ketchikan, and Victoria. If you have a U.S. mobile service plan, you'll be covered by your standard plan when in the US ports of call.

Mobile Phone Access

Holland America offers an advanced roaming network onboard allowing you to make and receive calls, send and receive text messages, and access emails and surf the web while at sea using your own mobile phone and telephone number. Costs vary by carrier and you should consult your carriers before departure for specific roaming charges.

The Wireless Maritime Service system is active for use when the ship is in international waters. When your phone picks up the shipboard signal, it will usually display "cellular at sea," "Ship Roam," or "901-18." Depending on the type of mobile device you have and your carrier, you may be required to select "Roam" on your device.

For frequently asked questions about cell phone service onboard, please visit www.wmsatsea.com

Medical Services

Emergency medical services are available on *Westerdam* 24 hours a day. The Medical Center is located on Deck A Forward and opening hours will be listed daily in your *Today On Location*. Charges for medical services will be added to your shipboard account and you will be provided with an itemized summary to submit to your insurance company. The ship's Medical Center is primarily intended to provide acute care for illness and accidents that may occur while on vacation and is not intended to provide long-term care for patients with chronic illnesses. They are capable of treating minor matters, as well as assessing and stabilizing most medical emergencies. If you require treatment for a serious condition, arrangements may be made to transfer you to a medical facility ashore. If you are currently suffering from a serious medical condition, please consult with your personal physician prior to sailing. If you would like the medical staff to be aware of any special conditions or medications, please contact the Medical Center or Front Office on Deck 1 upon boarding. Be sure to pack any medications in your carry-on and in their original prescription containers to avoid delays with security.

If you should come down with a contagious disease, or even suspect a contagious disease while onboard, it's compulsory you report it to the ship's Medical Center for the safety of everyone onboard. In rare instances, the medical staff may determine your medical condition requires you to be quarantined in your stateroom to protect the health of other guests. While both Holland America and RSVP will make every effort to make you comfortable in such a situation, we are unable to compensate for lost vacation time due to quarantine.

You may submit any special medical-related requests or conditions by contacting RSVP Vacations at 310.432.2300 prior to July 10.

Gratuities & Tipping

All standard service charges for your stateroom attendants and dining room staff have been pre-paid with your RSVP reservation. Additional tipping for exceptional service is at your discretion.

This standard gratuity does not cover purchases made onboard, and as such a 15% service charge is automatically added to bar charges, dining room wine purchases, and spa services. In terminals, airports, ports of call, and on shore excursions, we suggest you extend gratuities consistent with customary local practices.

Frequently Asked Questions

Got Books?

At RSVP, we realize life is about balance. In fact, we know some of you would rather curl up with a good book instead of doing pretty much anything else. For you, we're pleased to offer the RSVP Book Club – a place to have intellectual conversations with like-minded guests. The RSVP Book Club selections for our 30th Anniversary Alaska Cruise are:

Selfish & Perverse, by Bob Smith

Nelson Kunker is trapped in his job as the script supervisor on *Aftertaste*, the low-rated late-night sketch television show. His life in Los Angeles has come to a halt because he's unable to finish the novel he's writing, doesn't have a boyfriend, and, at the pivotal age of thirty-four, has reached the juncture where he has to decide whether he's really talented or just gay. One day he meets Roy Briggs, a part-time salmon fisherman/full-time archaeology student who's visiting from Alaska. When Nelson attempts to make small talk with the handsome Roy, he references an obscure but haunting story about bowhead whales that startles the science nerd in both men into suspecting that they might be soulmates. Unfortunately, Nelson discovers his soul is a bit of a slut when he also meets the guest host of that week's show, the surprisingly bookish movie star Dylan Fabizak, freshly paroled after a drug bust. When the three end up at Roy's home in Alaska, hilarity, love, and debauchery ensue. Wooed by both Roy and Dylan, Nelson comes to strongly identify with the salmon they are fishing for — another insanely driven species that will overcome every hurdle in its search for love. We will also discuss New York Magazine's recently published article, *Sex Without Fear*, which can be read [HERE](#).

Check your *Today on Location* for dates and times.

En Route Delays

If you encounter unforeseen flight or weather-related delays on sailing day, we suggest you immediately advise an airline representative at the airport that you are a cruise passenger destined for sailing that day. Often, airlines are able to arrange alternative flights at the airline counter for passengers to continue with their travel to the point of embarkation. It is the airline's responsibility to make alternate flight arrangements resulting from a delay or cancellation.

If you believe a delay will cause you to arrive in Seattle less than two hours before Westerdam's scheduled departure or if you are concerned for any reason that the ship may leave before you arrive, HAL representatives may be able to advise you of arrangements to minimize disruptions in your vacation plans.

Call HAL's Air/Sea Department at 800.628.4771 or 206.286.3294. Representatives are available 24 hours a day, 7 days a week, 365 days a year. These numbers are provided for emergency use only relating to travel delays; please do not call unless it is your day of departure and you are experiencing a delay.

In the event costs are incurred, you are responsible for out-of-pocket expenses. If you've purchased travel insurance, costs incurred as a result of trip delays are likely covered. Please ensure you keep all receipts for submission and contact your travel plan administrator for assistance and clarification.

If your delay involves missing the ship in Seattle, you must immediately contact the Air/Sea Department to confirm you will be permitted to join the vessel at the next port of call. In certain instances, you will not be permitted to join the vessel at the next port if the late embarkation will result in a violation of the Passenger Vessel Services Act (PVSA).

If your checked baggage is delayed or misdirected by a common carrier, immediately report this to the carrier. Once you arrive onboard, report this delay to the Front Office on Deck 1, providing the claim number and bag description. As a courtesy, the onboard staff will assist in following up with the airline; however, any costs incurred in forwarding the luggage to the ship is at the passenger's expense. Passengers who have purchased travel protection should verify with their policy carrier regarding Baggage Protection, which may include baggage delay coverage. Please keep all receipts for submission and contact your travel plan administrator for assistance.

Contacting Westerdam During Your Cruise

To provide greater peace of mind while you're away from home, give friends and relatives the following information on how to telephone you. Have them simply dial 800.993.5483 from the U.S. or Canada. A credit card is required for all inbound calls to the ship. The cost is \$16.00 USD per minute, subject to change without notice. When calling, dial 13# to select Westerdam. Once connected to an operator, they'll need your full name and your stateroom number in order to connect.

For calls originating outside the U.S. and Canada, 1.321.837.6106 should be used.

RSVP Publicity Photos

We will have a photographer and video crew onboard to document our voyage and assist us in creating future marketing materials. Our official RSVP photographer will identify himself to you before taking your picture. If you do not wish to appear in our promotional materials, please simply decline.
