Itinerary Changes

Atlantis and Holland America have carefully planned this itinerary for maximum enjoyment in all our ports and onboard your ship. Although we do our best to adhere to published ports and times, unforeseen weather and/or sea conditions may force us to alter the itinerary during your cruise.

In the unlikely event of an itinerary change while sailing, we will communicate our new plan both through ship wide (outside of cabin) announcements and through an updated *On Location*. Neither Atlantis nor Holland America shall be held liable for any damages resulting from any itinerary change according to your Passenger Cruise Contract.

Do This Right Now

Make Sure Your Passport is Up to Date

A passport is required for all guests and should be valid at least six months from the time you plan to return home. Visas are not required for citizens of the US and Canada. Visa requirements for all other nationalities vary and should be checked with the embassy or consulate of each country visited on this itinerary.

Please note that it is your responsibility to have the necessary documentation before boarding the ship. Failure to provide proper and valid documentation will result in denied boarding, and no refund will be provided.

Register On-line With Holland America Line (HAL)

Please take a few minutes to register on-line for this cruise in order to obtain a full copy of your cruise documents from Holland America. Once registered, you should print the Boarding Pass and bring it with you to the pier. This will allow you to check in quickly and board in minutes. You may register anytime until July 25th.

To complete On-line Check-in, you will need:

- Holland America Booking Number (same for all guests in each stateroom)
- Full legal name as Atlantis has it recorded
- Your Passport information
- Credit card to use for onboard purchases

To Begin:

- Log into [My Reservations](#) located in My Account on HollandAmerica.com
- Go to [On-line Check-in](#)

For On-line Check-In Assistance, please contact HAL at 877-932-4259.

If you are unable to complete on-line check-in, manual forms will be available at the pier. It just might take a bit longer to process and get you onboard.

Review your Flight Plans

This sounds obvious, but take a minute right now and make sure that your flights are booked correctly to Venice and back from Barcelona (or wherever you are flying from).

Make sure you have enough time to depart correctly from the ship on August 6th as well. Your flight should not be booked before 11 am.

Explore Some Incredible Shore Excursions

Now is a great time to plan some of the incredible shore excursions that Atlantis and HAL have planned for this exciting itinerary. After registering on-line, use the following link to book Shore Excursions:

<https://book2.hollandamerica.com/secondaryFlow/login>.

You'll need your HAL Booking Number to get started.

All advance excursion bookings will be charged immediately to your credit card. Excursions booked in-person on *Eurodam* are charged to your onboard account.

For further details regarding excursions, you can contact a HAL Reservations Agent by calling 877.932.4259 or 206.286.3900. Agents are available Monday – Friday from 5am to 7pm PST as well as Saturday & Sunday from 6am to 5pm PST.

Excursions will also be available for purchase onboard, but remember capacity is limited and guests booking on-line in advance have priority.

Before You Depart

Packing Advice

Atlantis emphasizes a casual, comfortable atmosphere with no specified dress code. Sportswear and casual resort attire is appropriate at all times. There are no formal nights, and absolutely no need for a jacket and tie.

The only real rule is that no tank tops or gym-type shorts are permitted in the Pinnacle Grill and Tamarind restaurants. These are premium experiences and we want to maintain a quality ambiance for all our guests. Thank you for understanding and cooperation on this one.

For visiting our ports, make sure you pack comfortable, lightweight clothes and sturdy shoes for walking. It will be hot in many of these ports, but that doesn't mean dress for the beach! You're in Europe after all, and people tend to dress more conservatively in larger cities. Note many tours visit religious or historical sites that require long pants and/or shirts that cover your shoulders.

Daytime at sea is time for swim wear and flip flops.

Bring lots of sunblock. And a hat.

Party Themes

Our theme parties might warrant something special, but these, of course, are always optional. You'll be comfortable with or without an outfit. All dance parties will be outdoors on the aft pool deck.

- **Champions!**– At this party everyone wins with our original and loosely interpreted Olympian parade of nations. Celebrate the sports stars, promoters, and characters of the country you represent with your most imaginative sendup of the real-world silliness. From sexy competitors to disorganized organizers to scandalous superstars, it's time to not take the games so seriously. Dress with pride and a smile to show off your country's best.
- **SideShow** - The circus comes to the high seas with a zany cast of characters from every imaginable realm. Everyone is welcome under our big top, from sleek acrobats to sideshow freaks, animal trainers to ring masters, and of course the ubiquitous spandex-clad body-painted mime-inspired Cirque-elves. And no show would be complete without a host of wide-eyed spectators. So put on your best, brightest, and strangest and be a part of the greatest show at sea!
- **White 25** - The basics always win and we bring you the 25th Anniversary edition of the hottest, sexiest, and most outrageous party at sea. One simple color. Endless possibilities. And everybody looks good in it!

- **Dog Tag T-Dance** - The longest-running Atlantis signature party brings everyone together for an afternoon of inspired silliness. Start with a very loose interpretation of military wear and we'll do the rest
- **Revival Classic Disco T-Dance** - Disco lives on as we take you back to the glory days of the 70s with an afternoon of pure musical magic on the dance floor. Artificial fabrics, excess facial hair, oversized shoes, and other obnoxious accessories welcome.
- **Soaked T-Dance** - Get ready to get WET at the wildest, silliest party in Atlantis history. It's a splashdown by the pool where everyone's a kid again.

Of course, there are many other parties onboard as well, but they don't need any advance planning and you can come as you are!

Currency Advice

The entire ship operates on U.S. Dollars on-board and all our ports use the Euro. (Montenegro has its own currency, but the Euro is accepted for all purchases and much easier).

Euro (EUR) \$1 USD = \$0.905 EUR

We strongly recommend using your ATM card to get the best rate of exchange for cash, just be wary of bank fees. There are plenty of ATM machines throughout our ports. You'll get the best exchange by using a credit cards for large purchases.

And always select the "Local currency" option when making purchases to avoid transactions fees.

Baggage Essentials

Most airlines, especially non-US airlines, limit checked bags and carry-on luggage. Check with your carrier for specific allowances. The standard limit is 50 pounds (23 kilos) per piece. Excess or overweight bags may incur a substantial surcharge, so please plan accordingly.

There are no weight limits or bag fees for the cruise itself.

Venice Pre-Cruise Plans

We do not have any formal pre-cruise plans in Venice at this time as there simply is not a venue large enough to hold 1000 of us for a pre-cruise cocktail party.

However, we will post updates and some dining recommendations on the Atlantis cruise Facebook page about a week before departure.

Embarkation Day!

Getting to the Venice Port

Eurodam will dock in Venice at the Venezia Marittima Terminal Passeggeri, located directly in the city of Venice.

If you are staying in Venice before the cruise, there are two ways to get to the ship. You can take a water taxi, which will be very expensive (around 100 euros, negotiate before you reserve), or by the public water-bus system.

Now it gets a little complicated...

There is a special service operated by Alilaguna Lines directly from San Marco to the Cruise port. This is the only line that goes into the cruise port, so unless you are staying near San Marco, you would need to take one of the other lines to San Marco and transfer to "Alilaguna Blu Line" (with a new ticket) to get to the port. The cost from San Marco to the pier is €8 Euros plus 3 Euros for each additional bag over the first one. The service runs every 30 minutes.

<http://www.alilaguna.it/en/linea-blu>

You can also take the ACTV or vaporetto in Venice to Piazzale Roma. Once there, you can take the people mover directly to the Cruise Terminal for €1. Not advised if you have a lot of luggage as there is a lot of walking involved.

Airport Transfers

The pier is about 30 minutes from the Venice Airport (VCE). If you are arriving the morning of July 29, we recommend taking a taxi to the pier, which will cost approximately €35.

There is also an Alilaguna Lines service from the airport to directly to the cruise Terminal (Linea Blu). It's more scenic, but will take approximately 110 minutes. The cost is €18 one-way, plus €3 for luggage.

Important Check-In Time Information

Embarkation begins at 1:00 pm, and there is very limited space in the terminal for waiting. We suggest arriving to the ship between 2:00 and 4:00 pm to avoid waiting in line, and all guests must be onboard by 4:00 pm for our 5:00 pm departure.

Eurodam sails at 5:00 pm sharp on July 29th!

What Do I Need to Check-In?

All you need is valid passport and a valid credit card to check-in for this cruise, along with your printed Boarding Pass (if you have one). That's it!

Prohibited Items

Please do not bring any of the following onboard, and do not place these items in your checked luggage: Irons (including travel irons), alcoholic beverages, knives, firearms, or any other potentially dangerous item.

If your luggage contains any of the above items, your bag will be held at security and will not be delivered to your stateroom. Full details on prohibited items can be found on the Holland America website.

Alcoholic Beverage Restrictions

Holland America does not allow alcoholic beverages to be brought aboard the ship for consumption during your cruise vacation. Any alcohol brought onboard or purchased onboard will be held in secure storage and delivered to your stateroom on the last night of the cruise.

You may bring wine or champagne to be consumed in the restaurants with an \$18 corkage fee applied for each (750ml) bottle. See the Holland America policy for more complete details.

Lost Luggage Assistance

If your luggage does not arrive with you, please do all of the following:

1. Get a complete report from the airline, including a receipt and tracking number for your luggage. Make sure that you tell the airline that you are boarding *Eurodam*.
2. Upon arrival on the ship, go immediately to the main reception where they will make a copy of your lost baggage report. The ship will attempt to track your luggage and follow up directly with the airlines.
3. Be patient. Depending on the airline it might arrive prior to sailing. Our port agents, in concert with the ship, will attempt to deliver any lost luggage directly to your room. If your luggage does not arrive, they will keep you informed with the latest news from your airline.

Please understand that neither HAL nor Atlantis has lost your luggage. We can only assist you in recovering your luggage from the airline and in communicating with them. Ultimately, the airline is responsible to you for any loss or inconvenience you encounter.

However, in our experience most bags turn up in the first 48 hours.

If You Are Delayed

If you miss the ship for some reason in Venice, please contact Holland America immediately at 206-286-3294 and they will assist you in making arrangements to board in the next port of call. Please note that local authorities and regulations may restrict the ability for guests to embark or disembark in certain ports.

Atlantis Cruise Essentials

Atlantis Daily Program

The Atlantis version of the HAL daily program, called *Today On Location* will be delivered to your stateroom each night with a complete schedule for the following day. All activities, shows, and function times are described here. Since this is our primary method of communicating with you, please read it daily. Changes and/or updates from our original schedule are common during a cruise.

And if you don't feel like reading, take 5 minutes each morning to watch Malcolm's daily TV broadcast for a more entertaining look at the upcoming day's events. You can find this on your stateroom television.

Team & Information Desk

Our office and volunteer Team Atlantis staff will be on hand throughout to host and assist with every aspect of your vacation. Please don't hesitate to ask any of us if you have a question or require assistance. We are available 24 hours a day, and always wear Atlantis name badges.

Future Atlantis Cruise Sales

During the last few days of your cruise, we will offer a chance to reserve a future Atlantis vacation with a special onboard booking discount. Details will be delivered to your stateroom and booking times will be listed in *On Location*.

No Solicitation Policy

Atlantis does not allow our guests to solicit other guests for any service or business while onboard our cruises. Please respect our other guests' right to enjoy themselves in an advertising-free environment.

Any guest that violates this policy by distributing materials, voicemails, or other sales communications to our guests will be subject to a \$2500 fine applied directly to their onboard account. Thank you for your understanding.

Atlantis Roommate Share Program

If you are participating in our roommate share program, you have been assigned a roommate based on smoking preferences. Your roommate's name may appear on your confirmation, but is subject to change. This program is offered as a convenience and service for our single travelers, and as such no roommate changes are permitted for any reason whatsoever.

We will email you prior to embarkation with advice on how best to enjoy your cruise together.

Dining Notes

All dining times are approximate, and may change slightly according to our port times and onboard events.

Team Atlantis will be on hand at the main restaurant to seat you, answer questions, and host tables. We always encourage you to join our other guests for meals. It's the best way to meet people! Both Atlantis and HAL will do our best to honor special seating requests.

Please be patient during peak hours as there may be a slight wait in the main restaurant. We recommend dining before 8:00 pm or after 9:00 pm to avoid waiting in line. The best way to avoid waiting in line is to either dine before the first show or immediately afterwards, and we will always keep the main restaurant open at least 15 minutes after the early main show ends.

What's Included?

Most meals and restaurants are included. The exceptions are specialty restaurants listed on the opposite page and next section. Coffee, tea, and most juices are also included. Specialty coffees, alcoholic beverages, soft drinks, bottled water are available at our bars and restaurants for an additional charge.

We suggest taking advantage of dining in a variety of venues and enjoying your meal times with friends old and new. It's the easiest and best way to connect!

Pinnacle Grill, Tamarind, and Canaletto Restaurants

For the ultimate special occasion, discover the Pinnacle Grill, with an extraordinary menu featuring a selection of outstanding classic and modern creations. Or visit Tamarind, our Asian specialty restaurant with delights from around the continent. And for a great family style Italian option, we always recommend the Tuscan flavors of Canaletto.

Reservations are essential, and may only be made for same day dining. In fairness to all our guests, reservations must be made in person, and only one reservation per stateroom will be accepted daily. Each restaurant is equipped to handle parties no larger than eight (and only a few tables are this size), and larger groups will not be accepted. Please respect these policies so that the maximum number of our guests may enjoy these unique dining experiences. See *On Location* for reservation times.

Suite guests may reserve a total of three advance bookings during the cruise through the Neptune Lounge Concierge.

Tank tops and gym-like shorts are not permitted in these premium restaurants and we ask that you please respect this simple dress code.

An extra charge for dining applies in each venue.

Le Cirque

Holland America Line's Master Chef Rudi Sodamin has worked with Le Cirque's Executive Chef Craig Hopson to re-create the legendary eatery's whimsical ambiance and award-winning dining experience aboard *Eurodam*. "An Evening at Le Cirque" at Pinnacle Grill is available on two special nights! There is a \$49 per person cover charge for this culinary event (\$69 with wine pairings).

Singles Dining

Traveling solo doesn't mean you have to eat alone. Whenever you enter our restaurants, our Team Atlantis will graciously seat you with our other guests. Also, we're creating two special singles dinners, along with a designated meeting place for single guests to gather for drinks before dinner. See *On Location* for specific times and locations.

Special Diets

We ask that you submit any special dietary requests including allergies in writing directly to Holland America at least one week prior to sailing. Once onboard, please speak with the Maitre D' of the restaurant regarding any special requests.

Please note that since this cruise is "open seating," it is your responsibility to notify the server and/or Maitre D' of any special requests you have made every time you dine.

Vegetarian options are available at each meal and need no special notification.

Room Service

Complimentary room service is available 24 hours a day. To have continental breakfast delivered to your stateroom, fill out the breakfast card included in your stateroom and hang it on the outside of your stateroom door prior to going to bed. Your continental breakfast will then be delivered the next morning at the time of your choosing. For all other times, simply dial "92" on your phone to place an order. Also, if you wish to enjoy a relaxing drink in the privacy of your stateroom, bottles of liquor and stateroom bar packages are available for purchase at non-duty-free prices through room service. The stateroom directory lists a complete menu of offerings.

Optional Beverage Packages

Holland America will offer a wide range of beverage packages on our charter, including bottle set-ups in your room, wine packages, and unlimited non-alcoholic packages. These packages can be booked online in advance under Indulgences at

<https://book2.hollandamerica.com/secondaryFlow/login>.

Any beer and/or spirit packages purchased in advance will be delivered to your stateroom on July 29 and are intended for in-stateroom consumption only.

Beverage packages may also be purchased onboard at the designated tables on embarkation day or at any of the non-satellite bars at any time over the course of your cruise.

Please note that unlimited alcohol packages are not offered on charter sailings.

Special Occasions

We are at your service for any special celebration. Whether it's a birthday, anniversary, or any other event, we want to make it memorable! Once onboard, please see either an Atlantis or HAL team member and we'll help you make it unforgettable.

Onboard Eurodam

Personal Funds & Shipboard Charges

The currency on board is U.S. dollars. Holland America ships operate on a cashless system. You can validate your Holland America charge card with your Visa, MasterCard, Novus, or American Express card, or sign for payment by cash or traveler's check. Guests can then sign all on-board services and purchases to their account. At the end of the cruise, you will receive a completely itemized statement.

For your convenience, the ship has an on-board ATM machine that dispenses U.S. currency. Bank debit cards on the PLUS and CIRRUS networks and the following credit cards: American Express, Discover/Novus, MasterCard and VISA are accepted. Fees will be charged per transaction.

Room Features

The rooms on *Eurodam* are very comfortable, with all the modern amenities you'd expect on a premium cruise ship. The ship has both 110 (US standard) and 220 (European) voltage power outlets in the rooms. All the water onboard is filtered and potable. Each stateroom is equipped with a hair dryer.

Customs & Immigration at Sea

At each port of call, customs and immigration officials may board the ship and clear it before we are allowed to go ashore. Normally, this occurs without your knowledge or participation. Occasionally, passengers are called for inspection. In these cases, please follow the instructions provided to assure that we are able to disembark in a timely manner in each port.

Shore Excursion Notes

You can pre-book shore excursions in advance on the Holland America web site (HollandAmerica.com) until July 25th. Upon arrival to the ship, you will receive tickets for your pre-booked excursions in your stateroom. You may purchase additional shore excursions onboard, subject to availability, at the Shore Excursions Desk or through your TV set using the system in your room.

Atlantis has worked closely with Holland America to enhance and develop excursions that will be fun and exciting for our group. Most of the excursions are "exclusive" to Atlantis guests. If you are in doubt, please inquire with shore excursions before booking.

Finally, we strongly recommend the Holland America shore excursions on this sailing over the "third party" tours that you might find online. Our experience in the Baltic has been that guests on tours through other operators have had many problems, and offer no protection in case of an itinerary change or delay.

Laundry & Dry Cleaning Services

Laundry, dry cleaning, spot removal, and pressing services are available for a reasonable fee. Laundry bags and service request forms are in your room. Ask your cabin steward for details. There are also no self-service laundry facilities onboard.

There are no irons in staterooms as they constitute a fire hazard. Please note that portable irons are not permitted for the same reasons.

Gratuities and Tipping

All standard gratuities have been prepaid for this week, so there is no tipping required or expected at any time. All cabin stewards, waiters, and other personnel have been compensated at levels that are customary for a charter of this size. No additional tipping to these service personnel is needed but may be extended at your discretion if the service is exceptional.

A 15% gratuity is automatically added to bar purchases and spa services.

Smoking Policy

For the comfort of all of our guests, designated smoking and non-smoking areas are available throughout the vessel. All staterooms, stateroom balconies, dining areas, and showrooms are non-smoking. Smoking is permitted only in specific areas of the ship, which will be detailed in the program onboard. As a courtesy to our guests, ship personnel will thoroughly enforce the smoking policy.

If You Have a Problem or Question

Both the Guest Relations Desk and the Atlantis Desk can handle most any difficulty you may encounter. Generally, issues relating to your stateroom, the ship, schedules, or billing should be directed to the Guest Relations Desk. Questions regarding entertainment, service, special requests, or anything else should be directed to the Atlantis Desk. Questions about excursions should go directly to the Shore Excursions Desk.

If the Atlantis Desk is unattended, please feel free to ask any Team Atlantis member and they will assist you.

Important Guest Policy Notice

Please remember that all our guests are bound by Holland America's Passenger Ticket Contract. The policy is intended to help ensure that all guests are able to participate in a safe and enjoyable cruise experience and sets forth standards of conduct for guests to follow throughout their vacation. Please take a minute to read the contract on their website:

Although we shouldn't have to say this, please remember that both Holland America and Atlantis have a zero-tolerance policy towards all illegal substances and behavior that violates the above policy. Any violation could result in your vacation being terminated early, or worse.

If a guest is found in possession of an illegal substance, appropriate action will be taken, which may include removal from the ship and involvement of appropriate authorities, which may result in prosecution. Guests removed from the ship pursuant to this policy are responsible for their own accommodations and transportation home, at their expense and no refund will be offered for the unused portion of your cruise.

Spa Services

Eurodam features an exceptional full-service spa, offering a wide range of services, including massage, facial, aromatherapy, hairstyling, and much more. Appointments for these services should be made early in your cruise, as many of the services book up early. All spa services are an additional charge which can be signed to your stateroom.

Spa appointments will open on embarkation day, immediately following the boat drill, in order to be fair to all our guests. Guests in Suites may reserve Spa appointments beginning at 3:00 pm in the Neptune Lounge.

Internet Access

Wireless Internet access is available aboard *Eurodam* for an additional charge. As you would expect, Internet speeds at sea are significantly slower than on land.

Packages will be available for purchase onboard in a variety of formulas. We recommend trying to unplug a bit -- after all you are on vacation!

Mobile Phone Access

Holland America offers an advanced cell phone roaming service that allows you to use your mobile phone in the same manner at an additional charge.

The Wireless Maritime Service system is available for use when the ship is in international waters. When your phone picks up the shipboard signal, it will usually display "cellular at sea," "Ship Roam," or "901-18." Depending on the type of mobile device you have and your carrier, you may be required to select "Roam" on the handset.

For frequently asked questions about cell phone service onboard, please go to www.wmsatsea.com.

To avoid substantial and expensive roaming charges, we highly recommend setting your phone to "airplane" mode when at sea. For questions about your service or about billing, please contact your home network customer service.

Medical Services

Should you require medical attention while on board, an infirmary staff is available to assist you 24 hours a day. A doctor is available to render services at a customary charge. The infirmary is capable of providing treatment for minor matters which may arise during your cruise and are capable of assessing and stabilizing most medical emergencies. Should you require treatment for a serious condition which requires hospitalization, then arrangements may be made to transfer you to a medical facility ashore. While at sea, the ability to transfer you to a shore side facility may be limited or delayed by weather or logistical considerations. If you are currently suffering from a serious medical condition, please consult with your personal physician prior to sailing. The onboard doctors are independent contractors.

Important Health Notice – Please Read!

If you should come down with a contagious disease, or even suspect a contagious disease, it's compulsory that you report it to the ship's infirmary for the safety of everyone on board. Should you be on any medication, or want the medical staff to be aware of any special needs, please contact the infirmary. This will ensure that they will be prepared should you need assistance.

In rare instances, the ship's medical staff may determine that your medical condition will require you to be quarantined in your stateroom to protect the health of our other guests. While both HAL and Atlantis will make every effort to make you comfortable in such a situation, we are unable to compensate lost vacation time due to quarantine.

Please note that the ship follows C.D.C. guidelines on all quarantine issues, and there is little flexibility in applying the rules, particularly where gastrointestinal symptoms are present.

We highly recommend travel insurance to assist with unforeseen costs and reimbursement for missed vacation time due to illness of any type.

After Your Cruise

Departure Information

In order to plan our departure efficiently, you will be asked to complete a short departure questionnaire before boarding. Please make sure that you complete this form to insure a smooth departure for all guests on August 6th.

Arrival into Barcelona

Upon arriving into Barcelona, we will begin disembarkation around 7:30 am. This procedure generally takes around two hours. If you have a flight earlier than 11 am, please notify HAL onboard and we'll do our best to prioritize your departure. We strongly advise purchasing the Holland America transfers onboard as these are the most efficient way to get to the airport.

After leaving the vessel you may claim your luggage on the pier. Lost or damaged baggage must be reported to HAL prior to leaving the claim area.

Purchasing Transfers Onboard

HAL will offer group transfers to the Barcelona Airport (BCN) and city center onboard during your cruise. Rates and information will be sent to your stateroom during the cruise, or inquire at the Guest Relations Desk. You can book these transfers anytime during your cruise.

Barcelona Post Cruise

There's plenty going on in Barcelona after our cruise, notably the annual Circuit Festival. We are working with the organizers to offer tickets and passes to all guests and will send out details in an email before the cruise.

We will also distribute both gay guides to Barcelona and our own "short list" of recommendations before we arrive. It's an amazing city with plenty to offer everyone!
